The Newsletter of Denver Curling - July 2014

**Membership and League Registration is Fundraising  
Finally Here!!!!**

Fundraising remains a top priority to pay

With the building progress on track, it's time to sign up for leagues. We anticipate they will commence in the last week of October or early November. Your membership is included in the league fees this year, so sign up for a league and you are automatically a member of Denver Curling. This week the 2013-2014 members were invited to sign up using the web site registration and on August 4 the registration will be open to everyone. Some leagues will fill fast so don't wait too long to pick a league or leagues that suit you. Please remember that your league selection and membership is NOT final until we receive your fees. For more information link to the web site [membership](#) web page.

## Building Update

Steady progress continues at the building site, with the estimated opening date still in early October. If you have not been out to the site lately I encourage you to take a drive. The building looks fantastic from the outside with that great white masonry brick now in place. The grounds are also shaping up with curbs and parking lot paving. Inside progress is happening rapidly with the concrete floor due to be poured August 1.

Check out the latest pictures on the [website](#) and [Facebook page](#).

## Thank You Volunteers

Thank you to the volunteers that assisted with the installation of the irrigation sleeves under the proposed driveway and parking lot. Sean Stevenson, Tim Brock, Billy Reynolds, Alyssa Schear, and Pam Finch

## Eric Nelson - Volunteer of the Year

for this fantastic new building. We need your help and here are some ways you can help;

### Donate or Loan Cash

A gift of cash is always welcome and can be made [anytime online](#); we also welcome loans. Contact Pam Finch by email [pam.finch@denvercurlingclub.com](mailto:pam.finch@denvercurlingclub.com)

### Donate a Brick

We have sold 23 bricks, raising over \$3000 and half way to our goal of at least 40 bricks sold. Your engraved bricks will be used to build a patio/or walkway near the Curling Center's main entrance. [Donate a Brick now](#) or contact Phil Moir by email at [phil.moir@denvercurlingclub.com](mailto:phil.moir@denvercurlingclub.com)

### King Sooper, Safeway Gift Cards

By far the easiest way to help is to use Denver Curling's King Sooper and Safeway gift cards to buy your groceries. Thanks to your efforts we have raised over \$11,000 for the new building by just buying weekly groceries. If you do not have a card, you can get yours today by contacting Alex Merrell by email [alex.merrell@denvercurlingclub.com](mailto:alex.merrell@denvercurlingclub.com)

### Your Time and Effort

We can always use your volunteer time, effort and talents for many things. Especially marketing and looking for sponsors. Contact Pam Finch by email [pam.finch@denvercurlingclub.com](mailto:pam.finch@denvercurlingclub.com)

Make sure you fill in the Volunteer page when you complete your membership and league registration.

Denver Curling proudly presented the Volunteer of the Year Award to Eric Nelson at the annual meeting in June. Eric volunteered at numerous corporate and public learn to curls throughout 2013-14, generously providing his time, his enthusiasm and a high level of curling expertise to hundreds of new curlers. Thank you Eric!

## Pro Shop Update

A new line of t-shirts and polos with the Denver Curling Logo are now available in the [online Pro Shop](#). They look fantastic and are a great way to satrt up a converstation about curling with your friends and at the same time advertise Denver Curling.

We are pleased to announce that **Rocky Mountain Curling Supplies** is also up and running and now linked from our Pro Shop web page. This shop is run by our very own member, Darryl Sobering focusing on a wide range of quality brand name curling products from Asham and Goldline. 20% of the profit from each sale goes back to Denver Curling. Please support both our Pro Shops.

If you are available for sweat equity projects, landscaping, painting, drywalling, cleaning, staining, etc., please contact Alyssa Schear by email: [alyssa.schear@denvercurlingclub.com](mailto:alyssa.schear@denvercurlingclub.com)
